

Beauty of life

Verse

If I could imagine a king
He would give his own life for us all
If I could imagine anything
He would pick me up when I fall

If I could live in a dream
Not one tear would hit the ground
Without the king rushing to me
Saying that I'm here now

CHORUS

The beauty of life is
You are my king; I shine in Your eyes
The beauty of life is
To fall into Your loving arms, You whisper
"you are mine"

Verse

If I could paint a scene
It'd be a perfect kind of day
The truth is life is not a dream
But with You I'll be okay

Bridge

Lord I feel You holding me
You're saying that I'll never let you go
Lord I know You are my king
I know all the tears I've cried You still hold
