

Deserts to Oceans

Verse

I've seen oceans turn to deserts
I've seen mountains turn to canyons
Where was Your love?
Where was Your love?

I've felt pain and felt abandoned
I've felt broken almost forgotten
Where was Your love?
Where was Your love?

CHORUS

But it's the deserts that You use
To show me who You are
And the valleys alone with You
I see you God
In the driest times I've found
I cry out for Your rain
So I'm crying out right now
To see Your face

Verse

You can turn deserts into oceans
Seen you bring life, yea out of nowhere
There was Your love
There was Your love

So, come on God
Won't You hear me
Come on god
Please draw near me
I need Your love
I need Your love

Bridge

I'm on my knees
Lord hear me
And I'll believe in faith
That You've allowed this pain
