

Earth and Sky

Verse

When I'm lost in the shadows
weary from the lies
when I'm nothing more than broken
You stand by my side
You fill my heart with wonder
and with every star that shines
it reminds me of Your love

Chorus

You are the hope that breaks the dark
You are the God who holds my heart
nothing between earth and sky can separate me from Your light
hanging on to every word
You are the truth the way and I'm sure
nothing between earth and sky can separate me from Your light

Verse

You are with me through the fire
a shelter from the flame
You're my comfort in the chaos
i find peace in Your name
in the middle of my trial
when the darkness closes in
I will look to the heavens
