

Hands to Hold

Verse

No matter what I say
I need You everyday
No matter what I do
I can never hide from You

Pre Chorus

Cause it's Your love that draws me, draws me too You
It's Your love that I need, I need You

Chorus

I was made for Your hands to hold me
When I feel Your love surround me
I can feel my whole world rising
I was made for Your hands to hold me
When I'm lost in doubts and fears
I can feel You pulling me near

Verse

Why do I run away?
When You tell me I should stay
Where do I run too?
When I can't escape You

Pre Chorus

Cause it's Your love that draws me, draws me too You
It's Your love that I need, I need You

Bridge

You can be the one to reach me
You can be the one to hold me
You can be the one who knows me
You can be the one who leads me home
