

Love Came Down

Verse

There's a moment in everyone's life
When love tries to open your eyes
I believe it, I've seen it
Cause when I was chasing all of my dreams
I heard Your voice on 44th street
It left me breathless, I met you Jesus

Pre Chorus

From then on I haven't been the same no,
I knew that everything changed

CHORUS

Since love came down right when I needed it
Lost then found right when I needed You
You opened up the skies
And gave me a new life
When love came down

Verse

I let go and I gave into You
All the things I was holding onto
I surrendered, and I remember

Pre Chorus

You lifted all of the weight
Where there was none, You made a way

Bridge

Where would I be
If it wasn't for you
Oh I can't imagine
Oh I can't imagine
Where would I be
If that day never came
When I met you face to face
