

## What I Know Now

### Verse

I have seen a thousand roads  
And some of them I've taken  
I've been lost so many times  
Forgotten or forsaken  
Tried to go the way I thought  
That things would be the way I want  
But heaven knows I was never satisfied

### Chorus

But You knew then, everything that I know now  
Oh You knew me when I couldn't find my faith  
I couldn't keep from falling down  
You were the light I didn't know I had  
Just waiting to be found  
You had my heart, cause You knew then  
Everything that I know now

### Verse

And every stone I stumbled on  
That led to my unwinding  
You followed like a shadow and  
You blessed the path behind me  
You gave me strength when I had none  
To lift my head and shake the dust  
Oh heaven knows how I owe You my life

### Bridge

And I am thankful  
For every yesterday  
Oh I am thankful  
For all You gave and took away  
I see the beauty  
Of every mess I made  
And bless it all, lord I bless the way
